

MATERIAL SAFETY DATA SHEET

1. Product and Company Information

Trade Name	RUBBOSEAL
Application of the Preparation	Protective waterproofing membrane
Supplier	UNIWALL TEXTURES
Contact Tel. No.	+91-9825444672

2. Composition and Information on Ingredients

Description	Butyl Rubber is dissolved in hydro carbon with Imported Resins.
--------------------	---

3. Hazards Identification

Hazards	Hazardous
----------------	-----------

4. First Aid Measure

After Skin Contact	If splashed on the skin immediately wash thoroughly with fresh water. If the product has dried on the skin massage the area with medical grade mineral oil, then wash with soap and water. If irritation persists seek medical attention.
After Eye Contact	Flush Thoroughly with fresh water for at least ten minutes. Seek medical attention.
After Swallowing do not INGEST	DO NOT INDUCE VOMITING. Seek medical attention.

5. Firefighting Measures

Hazards	Not explosive, nor flammable.
Extinguishing Agent	Use CO2, dry chemical or alcohol resistant foam. If water is used, contain any run-off.

6. Accidental Release Measures

Environmental Protection	Avoid Spillage into sewers or surface water.
Measures for Cleaning / Collecting	Large Spills: Pump into plastic containers and rework / dispose as per local legislation. Small Spills: Use non-combustible absorbent and shovel into a suitable container for disposal.

7. Handling and Storage

Handling	Ensure good ventilation when using in confined areas.
Storage	Store in a cool dry place.
Training	This product does not require any special training before use.

8. Exposure Controls and Personal Properties

Hygienic Measures	Not Hazardous in normal use. Avoid contact with eyes and skin.
Personal Protective Equipment (PPE)	Eye protection: Safety glasses or splash goggles. Body Protection: Long Sleeves and loose clothing

9. Physical and Chemical Properties

Form	Liquid
Colour	Black, Grey, White
Odour	Slight resinous petroleum odour
Change in Condition	Boiling Point: 100°C (Water) Freezing Point: 0°C
pH	7
Specific Gravity	(mm Hg) 17 @ 20°C (Water)
Vapor Pressure	>1 (air=1)
Vapor Density	<1 (nBuAcetate=1)
Volatiles %	30-60 (water)
Solubility in Water	Insoluble

10. Stability and Reactivity

Stability	Stable under normal conditions
------------------	--------------------------------

11. Toxicological Information

Primary Irritant Effects	On the Eye: Slightly irritating to eyes. On the Skin: Slightly irritating to Skin. Chronic toxicity: Repeated exposure to low levels will not cause adverse effects. Contact Sensitization: Does not provoke a sensitization reaction.
Additional Information	Not actually toxic. After ingestion it may cause vomiting. If large quantities are ingested, treat symptomatically. Do not induce vomiting. If irritant effects are seen, these will be mild to moderate, depending on exposure. If in contact with eyes flushing with water is recommended.

12. Ecological Information

<p>General Notes</p>	<p>The product is not considered harmful to Aquatic organisms nor to cause long-term adverse effects in the environment. The Surfactants used in the product are biodegradable in line with the requirements of EU directives 73/404/EEC and 73/405/EEC and their subsequent amendments.</p>
-----------------------------	--

13. Transport Information

<p>Regulations</p>	<ul style="list-style-type: none"> • Not Subject to ADR/IATA/IMDG codes. • Not Subject to the controlled products or the transportation of dangerous goods regulations.
---------------------------	---

14. Other Information

<p>Liability</p>	<p>The information provided is offered in good faith and is based on our current knowledge without guarantee of accuracy. We do not accept responsibility for damage and claims arising from handling, transport, storage or disposal of product. The information on this data sheet applies only to the product name above. This does not constitute a guarantee or warranty for any specific product feature and shall not establish a legally contractual relationship.</p>
